## Honourable Artillery Company

### Terms and Conditions for the use of a Mounted Guard of Honour furnished by the Light Cavalry HAC

What you may expect of us:

We, the Light Cavalry HAC, will furnish a Guard of not less than four, to hold ground, stand in appropriate positions, provide an escort and/ or to carry out a march past agreed between you and the Officer i/c the Guard and in accordance with normal practice. The Guard will be pleased to undertake special requests for photographic or display purposes by prior arrangement.

What is expected from you:

The Light Cavalry makes a minimum charge of £250 per day event to cover the fixed costs of maintaining its equipment, horses, stables and accoutrements and for the loss of earnings incurred when horses are not available during the day. The Light Cavalry will invoice you for this and for the cost of the Guard's horse transport to and from the event unless you have arranged this yourself. If you choose your own horse transporter then this company must be approved by our stable manager well in advance of the event.

You are responsible for providing a safe and secure environment for the loading and unloading of the horses and for providing a safe route to and from the event and for safety and security of our horses and personnel whilst at the event. The Light Cavalry does have public liability insurance but you are responsible for ensuring that your own insurance also covers the risks inherent in using mounted troops for a Guard of Honour.

It is customary for water to be provided for the Guard before the event and alcoholic and non-alcoholic drinks plus some food after the event. If your organisation will not be providing a meal for the Guard, please can you ensure that you notify the Light Cavalry so that alternative arrangements can be made, for which we will charge you at cost.
